DRAFT**SUBJECT: DIGNITY FOR ALL STUDENTS ACT**

The Board of Education recognizes that learning environments that are safe and supportive can increase student attendance and improve academic achievement. A student's ability to learn and achieve high academic standards, and a school's ability to educate students, is compromised by incidents of discrimination or harassment, including but not limited to bullying, taunting and intimidation. Therefore, in accordance with the Dignity for All Students Act, Education Law, Article 2, the District will strive to create an environment free of discrimination and harassment and will foster civility in the schools to prevent and prohibit conduct which is inconsistent with the District's educational mission.

The District condemns and prohibits all forms of discrimination and harassment of students based on actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, or sex by school employees or students on school property and at school-sponsored activities and events that take place at locations off school property. In addition, any act of discrimination or harassment, outside of school sponsored events, which can reasonably be expected to materially and substantially disrupt the education process may be subject to discipline.

Dignity Act Coordinator

At least one (1) employee at every school shall be designated as the Dignity Act Coordinator(s). The Dignity Act Coordinator(s) will be thoroughly trained to handle human relations in the areas of race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender (identity or expression) and sex. The Board of Education shall appoint the Dignity Act Coordinator(s) and share the name(s) and contact information with all school personnel, students, and parents/persons in parental relation.

If a Dignity Act Coordinator vacates his/her position, another school employee shall immediately be designated for an interim appointment as Coordinator, pending approval from the Board of Education, within thirty (30) days of the date the position was vacated. In the event a Coordinator is unable to perform the duties of the position for an extended period of time, another school employee shall immediately be designated for an interim appointment as Coordinator, pending return of the previous Coordinator to the position.

Training

Training will be provided each school year for all District employees in conjunction with existing professional development training to raise staff awareness and sensitivity of harassment and discrimination directed at students that are committed by students or school employees on school property or at a school function. Training will include ways to promote a supportive school environment that is free from discrimination and harassment, emphasize positive relationships, and demonstrate prevention and intervention techniques to assist employees in recognizing and responding to harassment and discrimination, as well as ensuring the safety of the victims.

By presenting teachers and staff as positive role models, the District stresses positive communication and discourages disrespectful treatment.
