Middle School Cooking Club

Ms. Fallik

DO YOU LOVE TO COOK AND BAKE? MAYBE YOU WANT TO LEARN?

This club is open to all aspiring chefs, foodies, novices, or anyone who wants to learn how to cook in grades 7 and 8! Along with your fellow students, you will learn how to prepare a variety of dishes, use utensils and measurements, understand recipes and basic vocabulary, utilize safe cooking methods, and explore what foods/recipes promote healthy living. This Cooking Club will accept students of all ability levels, who are looking to further improve their cooking/baking skills .

MS YEARBOOK

Students will work together
to design an 8th grade
Yearbook for Moving Up!

Students will
create a theme
and design the
yearbook layout.

Are you creative...?

Do you love
to take
pictures?

You sound perfect to
be a part of the MS
Yearbook Club!

Any student
is eligible
to be part
of the MS
Yearbook...

We will have meetings...we will
meet deadlines... we will take lots
of pictures and we will have fun! :)

Math Team

Mr. Kelly

- This club is open to everyone in the high school..9th, 10th, 11th, and 12th graders.
- As a member of this club you will actively compete against other schools in math competitions.
- No worries, it is all for fun but records will be kept.
- Our first competition will be on October 24th at 3pm in room 110...we will compete against other schools but it will be done virtually.
- To join this club all you need to do is come and see me (Mr. Kelly in room 110) and let me know that you would like to be part of the math team.

Med-Tech Club

The Med-Tech Club will provide opportunities for students to expose themselves to various fields of medicine. Members will explore health related professions and experience real-life clinical activities. Members of this club will be introduced to medical terminology and health topics through informational sessions provided by health care professionals.

Any HS student who would like to learn more about pursuing a health related career is welcome!

We will also address basic life saving skills, so even if you are just interested in what you would do in the case of an emergency, you should consider coming to a meeting.

We invite health professionals from all different areas to talk about their education, work experiences and give helpful tips to students. Some of our past guest speakers have been a Surgeon, Internist, RN, PA, NP, Veterinarian, Pharmacologist, EMT, CPR certification trainer & Chiropractor to name a few. Students will express their interests for the coming year and we will try to line up health professionals that fit those interests. There are lots of fun learning activities planned.

Leadership opportunities are available for our members! Advisor: Ms. Feit
