**EXTRACURRICULAR
RESOURCE GUIDE**

2019-2020

WHY JOIN A CLUB ...

There are many reasons why you should consider joining a club:

- First, it is a great way to meet new people and work at something, outside of your classes, that you enjoy.
- Second, colleges do look at your experiences inside and outside of the classroom.
- Third, this is an excellent opportunity to learn and develop skills in both individual and group settings.
- Finally, some clubs are community oriented. This provides you with an opportunity to give back to Carle Place. (Again, this looks great when you're applying to colleges!).

If you would like to investigate further, please see a club advisor or your school counselor for more details.

Getting A Job

Teenagers who are 14 and older may work legally in the United States, as long as they have filled out the proper working papers. There are certain guidelines that companies must adhere to in order for you to work in their place of business that follow New York State child labor laws. These are listed below:

Guidelines:

Working Papers are available at the High School attendance office.

Additionally, your parents must complete a parent consent form, agreeing that you may work.

Where can I find out about job openings?

- There is a bulletin board between the attendance and guidance offices that lists job opportunities in our area. Take a look – there may be something of interest to you.
- AP Seniors – Please see Mrs. Tsibidis-Foufas about internship possibilities.
- Many employers post jobs online. For example www.monster.com and www.indeed.com
